

A Message from President Mary Ann Cappel

The 2022-23 JCYM club year is in full swing. JCYM will have a Homes Tour, Boutique and Champagne and Chocolate event in November. We hope you will come and bring family and friends to all of these fun events.

JCYM supports six philanthropies in Johnson County. Please see the links on our website for more information. Our partnership with them includes donating items, doing hands-on work and donating 100% of the proceeds of our fundraisers.

Our theme this year is “***Make a Difference.***” If you have ever thought about joining an organization of dedicated women who work hard and have fun, JCYM is for you. Click on our Membership tab. We would love to have you join us!
